

THANET WANDERERS – GIRLS RUGBY CLUB

Dear Parents and Guardians,

You may already be aware of Thanet Wanderers Rugby Club, which is located in Broadstairs and is the only rugby club in Thanet. What you might not know is that the club is also home to a thriving Girls and Ladies section who have just celebrated the end of a fantastic 2021-2022 season!

We are delighted that the Thanet Wanderers Girls Club has recently been awarded funding from the Queen's Platinum Jubilee Activity Fund to encourage and support more girls aged 11-18 to play rugby, and we want to invite your daughter to come along and give it a try!

All girls in School Years 7-13 (ages 11-18) are welcome, whether they have any experience playing rugby or none at all. We have lots of excellent players who had never even watched a game of rugby before coming along to a training session.

One of the fantastic things about rugby is that this sport truly values diversity. We would like to encourage all girls regardless of sporting ability to come to the Girls Club and would also particularly encourage girls who may not consider themselves to be stereotypically 'sporty' or might not have found a sport that works for them, to come along to a Tuesday session and see how they feel.

The Girls Club starts on Tuesday 14th June at Thanet Wanderers Rugby Club (address below), with training 18:00-19:00 (arrive 17:30-18:00), followed by free food in the Clubhouse until 19:30. Tuesday training will run through the summer holidays, and is FREE. To register your interest, please use the QR link on the attached leaflet, visit the Girls page of the Thanet Wanderers website or contact us using the details below.

We are working to remove barriers that prevent girls from playing rugby, so please do also get in touch if your daughter would like to take part but would need help with transport to and from the club.
