# Newsletter Number 4!

by Hayley Stout

Hi everyone! Sorry I haven't done a newsletter since Christmas but it's been a busy time organizing the South Wales rugby tour and trying to co-ordinate details for the new tracksuits. Don't forget if you have any articles you'd like to put into future newsletters then please forward them onto me.

## Subs

Final balances for subs are now due. Thank you to those who have paid in already. I have emailed anyone with an outstanding balance individually so you should all know how much you have left to pay. Please Pay by 26<sup>th</sup> April 2015.

Please make any cheques payable to Thanet Wanderers U15's.

## End of Season BBQ

A date for your diary. Saturday 16<sup>th</sup> May 2015 will be our end of season BBQ and bring a plate of food get together. I will need a few people to co-ordinate who brings what food on the day, the same as we did at Christmas.

## Dress code

Please remember Thanet Wanderers shorts and socks for match days and shirt and smart trousers for after the game. NO JEANS please, this includes black skinny jeans.

## County victories

Kent and East Kent plate success

## Rugby Tour 2015

Less than 2 weeks to go before 14 lads head off to Carmarthen Bay for the South Wales rugby tour. Good luck lads and have a great time. Remember to look after your dads and don't let them misbehave too much (although looking at the mobile bar due to be in attendance it should be rather amusing).

## Team Sponsorship

The 1<sup>st</sup> of the new kit has arrived and the training shirts look fantastic!! We would like to say many thanks to John Rodgers and Ian Cannon. They have stepped up as team sponsors and have funded these new training tops for our team. This is very generous and we are extremely grateful to them.

Please visit the websites and take a look at what they have to offer and show them some support as they have shown great support for your son and his team.

## Kent and East Kent plate finals!

Well done to the lads for a great result in both games.

The Kent finals were played at Ashford RFC and was against Ashford. A tough game on their home turf but the lads played brilliantly and won the plate final 3-0.

The East Kent finals were played at Canterbury RFC and was against Deal and Bettshanger. Again the lads were fantastic and won by a monumental 55-5.

## E-mails!!

Please keep an eye out for e-mails especially as the weather changes, sometimes matches and training get cancelled at short notice, if this happens I will email you all. Always double check your inbox before you set out.

Also PLEASE REPLY to my emails so I know you are still out there!! Sometimes I do wonder!

## Your team needs YOU!!

We need a team of people who are willing to help out on a small scale. The results and match report need to be updated on the Thanet Wanderers website on a weekly basis, this is just too much for me with everything else I need to get done so we are looking for someone (or a couple of you as a job share) willing to take on the responsibility. We also need someone (or more) to record the matches for the coaches to review and use for training. Any help you are willing to give the team and support gang would be most gratefully received! Also if you have and good ideas for fundraising then please let me know.

# Happy Easter everyone!!!
