# PRESIDENT'S ADDRESS

On behalf of the officers and members of Thanet Wanderers, I am delighted to welcome today's special guests who are the club's sponsors. I hope you will enjoy your lunch and also will find the club's plans for the future development of the club interesting. The annual Sponsors' Lunch gives all of us who support Thanet Wanderers the opportunity to say thank you for all that you do for our club. The assistance that the club receives from our sponsors, both individuals and companies, helps us to maintain and extend the facilities and the reach of our sport in the local community. We also welcome our friends from Crowborough RFC who will no doubt have been devising plans to repeat the win they had when we were at their ground for the reverse fixture in early November. We fielded what looked to be a competitive side and had started promisingly before a neck injury to our forward, Kieran Wright, after just five minutes of play, caused a delay of thirty minutes before he could be safely moved off the playing surface. Great care is taken in the assessment of neck injuries before players are removed from the field of play, usually on a board. Crowborough RFC provided wonderful help in the care of our player Kieran Wright which illustrates the strength of the ties in the rugby family. He was fortunate to receive the most careful attention from Crowborough's Lead Sports Therapist Mike Churtyard whose help was invaluable to Wanderers Physio, Fran Rafiq, who was assisted by Harry Clemo. Thank you particularly, to Crowborough's President, David Clarke, who provided support and encouragement that was way above the call of duty to Kieran during his many hours waiting for an ambulance. Fortunately, ex-A&E Matron, Abby Ayres arrived and was able to speed up the ambulance's arrival time. It is great to report that Kieran was released from the hospital just before midnight when he thanked everyone for their support to him and his family as he spent seven hours on a spinal board. Fortunately, his injuries were to the soft tissue in his neck with some whiplash symptoms and he was back training and playing a few weeks later. The injury seemed to unsettle the Wanderers and the home side recorded a resounding victory by 35-10. The Sussex side hadn't won again until last Saturday when they upset the form book by defeating fourth-placed Charlton Park by 26-10. Wanderers ran in six tries to defeat Folkestone last Saturday in an exciting encounter that ended in a bonus point win for Thanet by 41-32

to leapfrog over their opponents into the comparative safety of ninth place. I do hope we shall be able to field a competitive side today that can build on last week's result. However, players' availability nowadays is governed by so many factors not just their ability and physical fitness to play. Work and shift patterns plus the leisure choices for both the players and their partners have changed in recent years and fewer players are able or willing to devote the whole weekend or season to playing and recovering from matches. That of course also doesn't take into account the unprecedented level of injuries that we and many others in this league have faced this season. As a result, the coaches are not able to make their preferred selections for the Saturday ahead and we have the constant team changes that do nothing to help them build a settled and consistent team that will play stylish rugby and secure the success on the field that we all hope for. One big plus recently has been the introduction of some of our talented Colts team into senior rugby. Head Coach, Craig Smith with his team coaches, Matt Hickmott, Sam Divine, Bill Wallace, Andy Bridle, Greg Shingles and Peter Macaulay have done a great job in maintaining a large squad and preparing them for whatever challenges lie ahead. Careful checks are now in place to ensure that the young players are capable and ready to step into senior sides before they are considered for selection. Last Saturday Sam Molyneux made a confident first-team debut joining Harrison Quittenden who has already featured in six first-XV matches and has one man-of-the-match award to his name. Max Rogers and Flynn Shingles were in action for the 2s against Medway and at Folkestone, the 3s recorded a 108-24 win. Club Chairman Chris Panteli and his wife Lindsay who is a club sponsor were there to see their son Charlie make a remarkable senior debut registering a hat-trick of tries and with some fine place kicking totalled 44 points. Fellow Colt, Isaac Divine scored a try and converted it himself. Congratulations to them all. There are three fixtures again this week so no doubt some will again feature on the team sheets. Good luck to them and all who don the blue, black and gold this weekend. Please respect today's referee I trust we shall have three sporting matches with no serious injuries and as ever, C'mon Wanderers.

## FROM THE HEAD COACH

The hangover was heavy, but the pain was worth it. Seeing the lads record their first victory of 2023 and scoring 6 tries in the process to make it a bonus point win at that, was very satisfying. This season has been tough but the spirit and desire to see it out whilst retaining our Counties One standing is huge. The win against Folkestone last week lifted us out of the relegation zone but only just as Folkestone did manage a try bonus point themselves in a spirited comeback, so the gap between us is only 3 points. But with a game in hand and none of the "big guns" left to play, we were quietly confident that we had turned a corner and heading to safety. That was until the other league results came through. Bottom placed Aylesford had turned over 2nd place Beccahamians and Crowborough had gained a valuable win over Charlton Park. So our opponents today, who've undergone as tough a January as us, visit St. Peters on the back of their first win since beating us down at their place in early November. The game was scarred by the injury to Kieron Wright who was looked after brilliantly by the Crowborough physio team and eventually transported to Pembury hospital, a couple of hours after being removed from the pitch on a spinal board. Thankfully Kieron was discharged the next day with a soft tissue whiplash injury and is back playing again after a couple of months recovering. A big thank you again to the Crowborough physios.

Mathematically any of the bottom teams can still be relegated and any of them can still survive but only one of them is guaranteed to remain in Counties One. So today's fixture is of high net value to the victor and am sure will be keenly contested, as the fixtures between our two clubs always are. Crowborough have four home

games in a row to finish their season, following the match today and as two of those are against Folkestone and Aylesford, they will be looking to be the one survivor from the bottom four should they get anything from today. Obviously a win for us today will leave us needing just one more win from our last three games or a couple of bonus points, to be absolutely safe, regardless of how other results go. Let's hope the game lives up to the expectation, especially after last week's high scoring match that was played in such good spirit and refereed brilliantly by Lewis Franks.

I have to mention the third team's result last week, just in case the Chairman hasn't mentioned it to you!! Chris's son Charlie made his senior debut and was part of a huge win over Folkestone's third team, 108-24 with Charlie scoring 44 of those points himself. Obviously it's a team game and am sure Charlie will attribute his large haul to the skill his team mates around him but for a debut, that is some achievement. I've no doubt Bill Wallace will insist he needs a few more games in the thirds before 'risking' him moving up to the seconds but we know your game Bill !!!! We may even see young Charlie running out for the first team before the season ends. Other colts breaking through to the senior teams include Max Rogers who debuted in the second team and showed his potential and Sam Molyneux who after a couple of games in the seconds, came off the bench for the first team last week and made an immediate impact with his tackling and speed around the pitch. Hopefully he'll get more game time this week than his impressive 15 minute cameo against Folkestone.

## Thanet Wanderers RUFC 41- 32 Folkestone RFC

Six tries for the Wanderers bring a much-needed win against a tenacious Folkestone team.

There was another fresh combination in the front row for Wanderers with Danny Clement at loose-head and Gully Goodall at tighthead supporting Mike Whitehead at Hooker. Kurt Pearson moved to the back row where Lenny Brown was also back at 8 replacing the injured Connor Brown. Nick Herbert returned to captain the team at outside half, Tom Walton was at full back and Marius Thompson moved to the wing.

Thanet kicked off down the slope on a mild afternoon with a gentle breeze and an early penalty took them to in front of the clubhouse. Good ball was obtained from the lineout and Nick Herbert sent Danny Clement away to cut a nice diagonal line finishing under the posts with not a hint that he had been celebrating his brother, Antony's wedding the previous day. Tom Walton added the extras and the Wanderers were 7-0 up after just four minutes. Folkestone tested the home defence and there were penalties for both sides before the visitors took the easy points from in front after ten minutes of play. Minutes later the ball went at pace from a Thanet scrum along the line to Marius Thompson who made good metres before handing inside for Walton to finish in the corner to extend the lead to 12-3. Walton aggravated an existing injury in the race to the line and was replaced by Harrison Quittenden from the bench. Wanderers' third try came following more attractive handling in the backs and ended with Lock Forward Andy Letts claiming his third try in as many weeks. Thompson's conversion attempt came back off a post. Folkestone threatened the hosts' line but two big tackles from Callum Doody kept the home line secure before Goodall grabbed a loose ball and tore away from his 22 to the visitors' ten-metre line. After 30 minutes of play, Folkestone scored a well-constructed try that was converted to make the score 17-10. Four minutes later, Wanderers Captain Nick Herbert, scored an excellent individual try when receiving from a scrum on Folkestone's ten-metre line he first cut left selling dummies before he headed back to touch down under the posts for the try bonus point. Thompson converted for 24-10. Henry Mirams was called back for a forward pass as he headed for the line. A strong forwards drive pushed towards the line but when Herbert received, he

handed on to Louis Marshall who cut a nice line in from his wing to wrong-foot the visitors' defence and score under the posts. Thompson's conversion made the halftime score 31-10.

Folkestone made a fast start to the second half and got behind Thanet's defensive line to touch down for an unconverted try. Joe Carlier had replaced Clement at the break but now Whitehead had to withdraw and Clement found himself back in the fray. Thompson took three points from a penalty in front and 25 metres out to make the score 34-15 but five minutes later the visitors caught Wanderers napping and a quick tap penalty led to a try for the visitors that was not converted. Wanderers hit back when Herbert and Harrison combined to release Mirams who sped through a gap in the Folkestone line to score under the posts and Thompson converted to put Thanet 41-20 ahead. Letts was shown yellow and limped off. Folkestone registered their try bonus point after some sharp handling and Wanderers needed Doody's big clearance to draw breath. Thanet appeared to be tiring and in the second minute of added time, Folkestone broke from their half and went clear of some tentative defending to score under the posts. The conversion led to a 41-32 scoreline. Today's excellent referee, Lewis Franks, soon sounded the final whistle and the home supporters could finally relax. This was a good, sportingly contested game that will have entertained any neutral spectators present.

The win means Wanderers leapfrog Folkestone into ninth place in Counties League One Kent with 24 points against today's opponents, who have played one game more, 21 points.

Next Saturday Thanet entertain Crowborough who are in the bottom two of the league. Both they and the bottom team, Aylesford had morale-boosting wins against high-flying opponents this weekend so their spirit should be high. Please support the Wanderers in this crucial fixture with just four league games remaining.

Wanderers Coaches were pleased with the patience shown in building their attacks and it was good to see how well Colts, Harrison Quittenden and Sam Molyneux, who debuted from the bench, slotted into the team. There were great shifts from Jack Startin in the second

row and on the flank of the pack from Warren Riddell-Broomfield (who will miss the rest of the league season). Nick Herbert had a fine game at Ten and combined well with inside centre Adam Harrison who defended strongly

and broke the visitors' line many times. He was the Wanderers' man of the match.

## INCLUSION @ THE WANDERERS

As a club Thanet Wanderers is committed to improving all aspects of equality, inclusion and diversity within the club. I'm sure most of you will have seen the re-emergence of our ladies team after an absence of nearly 20 years. The girls section is growing steadily with the help of a strong team of volunteers, coaches and sponsors. During lockdown we were one of a handful of clubs to receive large grants for a capital project to renovate our back changing rooms and showers primarily for female use. We have also been one of the first clubs in the South East to introduce a SEND (Special Educational Needs and Disability) group and this has been amazingly well received. Our Schools and Community Programme has been marching forward with coaches going into local schools to introduce children to rugby that might not normally get the chance to play the game and experience the TREDs ethos (Teamwork, Respect, Enjoyment, Discipline and Sportsmanship) that lies at the heart of rugby. We have a mental health first aider who is available to listen and support anyone if they feel they need help.

This is only the beginning of the club's journey and we hope that everyone at the club, whether as a player, coach, parent or spectator will get behind us and help make Thanet Wanderers a welcoming place for ALL.

With this in mind we are introducing some new codes of conduct that you will see highlighted around the club and the grounds. These will explain what is considered good practice and what will not be tolerated. They will also give details of who you can contact if you have any concerns, issues or need help or support.

We live in a constantly changing society and if we want to play a positive, relevant and meaningful part in our community, both local and our rugby community, we need to adapt and be more accepting of the diverse society that we are all a part of.

Please work with us to make Thanet Wanderers a club where everyone is welcomed and made to feel part of something special.

## Thanet Wanderers Colts 14 v Beckenham 14

Sunday 12th February 2023. After having a number of games called off and some teams pulling out of prearranged fixtures it has been a problem getting game time for Thanet Colts this season. Thankfully over last weekend Beckenham stepped up and Wanderers' Colts had a game! Thanet travelled the long journey to what is effectively South London, but it was worth it as our hosts were as always welcoming and friendly and great to spend time with. Wanderers had a squad of 21 players, but on this occasion did not include those lads who had played for the club's first and second teams the previous day.

The game kicked off with Thanet kicking to the opposition and immediately Wanderers' Finn Hickmott and Isaac Divine got the chance to show their relentless tackling ability. The ball was won back from the opposition and good passing between Tom O'Callaghan, Zach Ralph and Owen Read and great forward moving rugby pushed Thanet up the pitch, but Beckenham were resilient in defence and the move broke down..

Thanet's Captain, Max Anderson, had a super game both in defence and attack while also marshalling his team and keeping up a difficult dialogue with the referee. Wanderers' fellow front rowers Shaheer Khan and Fred O'Halloran were strong in the pack and O'Halloran cut some great lines during the game. Beckenham's number 10 tested Thanet's full back, Farzam Yazir, with his good kicking game, but Farzam proved up to the task fielding high balls and putting in some great tackles when needed.

In the 18th minute a great break that started in Thanet's half with Frankie Evans and Sam Stevenson was progressed on the wing first by O'Callaghan and then by Gil Smith and this ended with Hugo Evans running in to get the first try of the match which Charlie Panteli converted from wide out to add the two extra points

In the 22nd minute, great hands across the Wanderers team started with Khan who eventually released Stan Ball to run in the second try which again was smoothly slotted over by Panteli to add the extras. The later part of the first half was dominated by Thanet who at times played some brilliant rugby when they probably should have added a third try that was needed to feel totally satisfied with their first half performance. In the

end the first period ended Thanet Wanderers Colts 14 Beckenham Colts 0. Thanet had played well but knew they could improve and they did not want to take their foot off the gas.

In order to give all the squad game time six replacements to the starting line up were made at half time. The Second period kicked off and with how Thanet had played during the first half there was great optimism that a very good performance could be on the cards. Replacements Archie Kujawinski and Joseph Near wasted no time in making their presence felt and both put in some big hits. Both Wanderers' wingers, experienced Will Mahoney and newcomer to the game Lucas Norwood, saw plenty of the ball, without any great success.

Both Alfie Reeves and Alfie Pearce who had been introduced to the game had an influence, with Pearce showing fleet footed movement and Reeves some powerful defence splitting runs.

In the 19th minute of the second period Thanet were camped out on the Beckenham line, looking very likely to extend their lead. However, a simple mistake resulting from a drop in concentration ended with Beckenham turning the situation on its head and running in a try over the full length of the pitch which was converted to make the score 14-7.

Thanet put themselves under a bit of pressure for a few minutes and this period ended in a bizarre moment. Beckenham kicked the ball forward into the try zone and it looked to all, including Thanet's players standing over the ball and the on looking Beckenham parents, that the ball had gone dead. However, an opposition player touched the ball and claimed a try and to everyone's amazement it was given. This was then converted to tie the scores.

With around 10 minutes left Thanet still played the better rugby and looked the most likely to score but for various reasons it was not to be and the third try did not come before the final whistle.

The final result was Thanet Wanderers Colts 14 Beckenham 14. Thanet played some good rugby although perhaps they could have been a bit more clinical. Individuals will need to learn from the mistakes they made, but overall this was a decent performance in testing circumstances!

**Thanet Wanderers Colts:** Max Anderson (C), Fred O'Hallohan, Shaheer Khan, Hugo Evans, Frankie Evans, Finn Hickmott, Isaac Divine, Gil Smith, Sam Stevenson, Charlie Pantelli, Owen Read, Tom O'Callaghan, Zach

Ralph, Stan Ball, Farzam Yasir, Alfie Reeves, Will Mahoney, Archie Kujawinski, Alfie Pearce, Joseph Near, Lucas Norwood.

## HOW THANET WANDERERS LADIES SQUAD HAS GROWN!!!

28 lovely ladies at training tonight!! What a turn out! We have come so far in the shortest amount of time! We are growing each week, constantly improving and learning! I am so proud! This team means more to me than they will ever know. In less than a year we have almost tripled

the size of our squad and are currently sitting at the top of the league.

I am forever grateful to this club and these amazing ladies.

## SUPPORT THE CLUB

# THE 450 CLUB

For only £5.00 per month – that's a pint of beer a month- you get the chance to win at least £45 or even £450 EVERY MONTH with a big prize of £5000 drawn once a year EVERY FEBRUARY.

Half of the money received is paid out in prizes with the remaining half going to support major projects within the Club helping to maintain and improve facilities. What a great way to help the Club for a modest outlay each month and the chance to win £££s. The prize structure is based on the number of members. Should the membership exceed 450 then the prize structure will be increased accordingly. A schedule of prizes in operation at any one time is available from the promoter.

Membership is not restricted to members of Thanet Wanderers Rugby Union Football Club and supporters are welcome to participate. Members will be notified by email of the winning numbers each month and monies won will be paid directly into the winners bank accounts.

Please contact either Andy Bull (07710-456225) or Kelly Smith at the clubhouse if you need further details or fill in a direct debit form available either at the clubhouse or from Kelly.

If you are already a member of the 450 Club why not double up and have twice the chance of winning!!! Now there's a thought.

The prize draws carry on throughout the year so there's always the possibility of a rugby surprise even in the cricket season.

So go on give it a go, your support could be well rewarded!!!

Promotor Kelly Smith.

# MATCH REPORT

## Ashford 7 vs Thanet Wanderers 17

After a very close draw in a friendly home game at the Thanet Rec, it was a much larger Thanet squad that travelled to a rather wet and boggy Ashford on a grey dismal day. A strange fishy smell was emanating from the sewage works just behind the rugby club but, as the Ashford Coach stated, a good day for tackling. With this being a Kent cup game, we had a Kent referee to officiate, and the crowd were looking forward to good uncontentious close physical contest.

Thanet stated their intentions from the off as from the kickoff, not intimidated by the large Ashford pack they immediately tackled the largest of them. Thanet were looking strong moving the ball well and it was clear from the outset Ashford would need to step up to contain an exuberant Wanderers.

It was great to see the long locks of Dillon Shelley (already slightly weighed down by mud) back after illness weaving lines through the Ashford defense. However, it was a smooth back's move that saw Daniel Jury weave a line though to the tryline only to be impeded illegally by a high tackle. The referee duly awarded a penalty try to Thanet (7-0). Thanet weren't going to have it all their own way and as from last week, Thanet were being caught offside too many times and giving away silly penalties. It wasn't long until Ashford had made it to the Thanet line and had an attacking platform provided by their large pack. Despite some tenacious defense, they managed to barrel over which they converted (7-7). Stirred into action, Thanet put pressure on the Ashford defense and despite having some very large boys against them, the Thanet pack

appeared the stronger both in the maul and ruck and at scrum time. With the pressure mounting, it was not long till Thanet got a penalty which Callum Duffy converted having kicked well all day (10-7). The next try was one of the strangest this reporter has ever seen. After half time the kickoff led to an attempted volley which flew backward into the arms of Archie Hussey, the big prop then broke a tackle and sprinted down the middle of the pitch past the Ashford defense following the kick. With the fullback to beat he popped it to Daniel Jury who out paced the second row to score under the posts (17-7) Callum Duffy converting.

Ashford, to their due, never stopped pushing forward but Thanet never stopped tackling. The only other highlight of the game was Zachery Oliver-Hendy running full pace into the Ashford gargantuan second row and knocking him to the ground (winding himself in the process).

It was a great to come away with a victory after a couple of close fixtures hadn't gone our way. Also, to see the whole squad making a great contribution to the outcome. Thanet's performance continues to improve as does their confidence.

**U16's Squad:** Callum Duffy, Rasmus Wallace, Levi Freedman, Luke Herbert, Jem Harris, Archie Hussey, Joseph Keohane-McGrath, Owen Long, Will Gedge, Zachery Oliver-Hendy, Dillon Shelley, Tristin Surry, Finn Wilmans, Eden Williams-Verrall, Noah Osgood, Charlie Page, Ollie Parker, Kyle Pitcher, Daniel Jury,

**Simon Harris**
