## PRESIDENT'S ADDRESS

We extend a warm East Kent welcome to Heathfield & Waldron RFC and hope you initially enjoy the afternoon and our hospitality and then experience some attractive Rugby.

Today's Counties 1 Kent League game has Heathfield & Waldron placed in 8th position with 3 wins out of 14, 2 draws and 9 losses. Our last encounter with them in October (Away) saw a 31-19 defeat. Draws are an unusual event in rugby and Heathfield & Waldron have experienced 2 this season, one against fellow East Sussex team, Crowborough, 3-3 and the other against Cranbrook, just up the road, 15-15. These must have been very exciting local derby games.

The narrative that has dogged Thanet all season has been injuries and availability which have seen in excess of 45 players play so far for the 1st Team. Although a problem for stability it shows the willingness and determination of Wanderers to play and compete. The last home game against Bromley saw a very much more positive attacking style and the score didn't reflect the competitiveness of the game. It was good to see a very young backline looking very dangerous with the ball in hand

Today's match official is Ross Alexander who last officiated at St Peters in our game against Dartfordians in November, and we extend a warm welcome to him to St Peters and hope for a clean, fast paced game evenly competed and without injury.

Thanet Wanderers Ladies returned to league action last weekend with an away day at Ashford and scored an incredible Victory of 0-55. Congratulations to them on this result and to having 35 at training mid-week. They now look forward to playing Hammersmith & Fulham in the last 16 of the National Junior Cup.

Tomorrow the Colts and the Ladies 2nd XV are at Home, The Colts kick off at 11 am, against Tunbridge Wells. This has always been a hard competitive game and this should be an excellent game to watch. The Ladies Kick off at 2.00 pm against Edenbridge.

This is a short address as I am in West Africa with limited access to the Internet, something we take for granted, along with uninterrupted power supply, (here we experience about 3-4 power cuts a day) and the non-existent roads or healthcare, but on the bright side it is 34C! I wanted to talk more about the charity work of John Corrigan who we regularly see at the club fund raising funds for Injured players, but the lack of access to the emails that he has sent me prevents this, so more to follow later.

TEAMWORK RESPECT ENJOYMENT DISCIPLINE  
SPORTSMANSHIP.

# FROM THE DEFENCE COACH

Today we welcome Heathfield and Waldron RFC to the home of the Wanderers. Last time we met it was a cold and rainy day for us and the score board reflected this.

As you can imagine the last couple of fixtures have been tough for us as a squad and coaching team, especially for me as a defensive coach, who takes conceding points very personally. However, we are incredibly confident in what we are doing and are really starting to notice the small changes that will put the team in an even better place in the future.

Today we are set to bring noise back to our home fans and offer an exciting brand of rugby with a set of experienced powerful forwards and a very young backline who have very promising futures ahead of them in Wanderers colours. With a team of almost all home grown players it shows a real sign of the true effort that is going on in all area of the clubs pathway. This all starts with the minis' coaches and continues on with the success of the colts team, an area that we as coaches are really looking forward to seeing what that squad will produce next. Tom Walton returns to the side along with Charlie, Harrison,

Max and Arthur all of whom have been a part of the clubs pathway. They have all made the first team squad consistently and look very dangerous in attack.

These players have progressed under the guidance of Sam Taylor, who is always leading by example showing these young men how to create their own journey through life and through rugby. We as a coaching team would like to thank him and could not be happier with the way he takes on this role. Co-captain Nick Herbert watches from the sidelines and he will soon be returning from injury adding his great sense of leadership and knowledge to the squad and we could not have asked for a better co captain. So thank you again to you both.

We hope today will be filled with big hits, tries scored and a loud crowd and on behalf of the match day squad and coaching team, we again thank you for your ongoing support and we will see you out there!

The most dangerous phrase in the language is "we've always done it this way".

# MATCH REPORT

## Thanet Wanderers RUFC 7 - 33 Bromley RFC

A much-improved performance is not enough to prevent another defeat for the Wanderers.

Danny Clement and Michael Whitehead returned to the front row in an otherwise unchanged pack. There were starts for Lewis Downer and Louic Vroninks who replaced Louis Marshall and Marius Thompson who were injured last Saturday. Bromley had impressed in the away fixture which they won 47-18 and are presently fifth in the League table.

Wanderers kicked off down the slope on a chilly, grey afternoon and monopolised possession in the opening minutes. Thanet were not playing like a bottom-of-the-table side and it was somewhat against the run of play when, after ten minutes, the visitors opened the scoring with an unconverted try. Wanderers lost opportunities when a line-out was not straight and a penalty failed to find touch. Bromley were testing the home defence. On 25 minutes a missed clearance gave the visitors possession which led to a converted try and opened a 12-0 lead. Bromley's outside half looked to be on his way for a further try before he was pulled down by his opposite number, Charlie Panteli, to stop an almost certain try. There was a collective determination about the Wanderers in the fifteen minutes before halftime that kept their line intact and ensured that they trailed by just twelve points at halftime.

Early in the second half, Bromley took a scrum rather than kick a penalty and from the resultant drive a player

emerged and crossed unchallenged for a converted try. Wanderers responded with a spirited, forward-led, attack that ended with a third try of the season for Mike Whitehead. Panteli converted well to cut the visitors' lead to 19-7 after seven second-half minutes. There was an intriguing contest as both sides battled for the next score and a yellow card was shown to Bromley's number seven. Replacement centre, Henry Mirams, returned after injury into a reorganised backline as Vroninks took a break. Max Rogers, who has been playing well in the centre for the Wanderers, was now shown yellow for a high tackle. Bromley were pushing hard for their try-bonus point and they eventually crossed wide left and added an excellent conversion to lead 26-7. A loose ball bounced nicely for the visitors who crossed for a fifth try to extend their lead to 33-7. Wanderers fought hard during the remaining ten minutes but could not add to their score before today's referee, Mr Oliver Smith, sounded full-time, after a good shift from the young official.

Wanderers' coaches and supporters will have been pleased to see this much more organised and determined performance from their side. There were still occasional errors and areas that need to be addressed but with a side containing so much developing talent, medium-term prospects remain good.

## INCLUSION @ THE WANDERERS

As a club Thanet Wanderers is committed to improving all aspects of equality, inclusion and diversity within the club. I'm sure most of you will have seen the re-emergence of our ladies team after an absence of nearly 20 years. The girls section is growing steadily with the help of a strong team of volunteers, coaches and sponsors. During lockdown we were one of a handful of clubs to receive large grants for a capital project to renovate our back changing rooms and showers primarily for female use. We have also been one of the first clubs in the South East to introduce a SEND (Special Educational Needs and Disability) group and this has been amazingly well received. Our Schools and Community Programme has been marching forward with coaches going into local schools to introduce children to rugby that might not normally get the chance to play the game and experience the TREDs ethos (Teamwork, Respect, Enjoyment, Discipline and Sportsmanship) that lies at the heart of rugby. We have a mental health first aider who is available to listen and support anyone if they feel they need help.

This is only the beginning of the club's journey and we hope that everyone at the club, whether as a player, coach, parent or spectator will get behind us and help make Thanet Wanderers a welcoming place for ALL.

With this in mind we are introducing some new codes of conduct that you will see highlighted around the club and the grounds. These will explain what is considered good practice and what will not be tolerated. They will also give details of who you can contact if you have any concerns, issues or need help or support.

We live in a constantly changing society and if we want to play a positive, relevant and meaningful part in our community, both local and our rugby community, we need to adapt and be more accepting of the diverse society that we are all a part of.

Please work with us to make Thanet Wanderers a club where everyone is welcomed and made to feel part of something special.

## Thanet Wanderers Twos 10 – 43 Rye RFC

Rye score seven tries to maintain their position at the top of Kent Rural A-League.

Frost had caused the postponement of most of the rugby scheduled on Saturday in Kent, including Wanderers' first XV's visit to Cranbrook. East Kent was the exception, with two matches played at Thanet and nearby Deal's games also went ahead.

Rye were Champions of the Kent B rural league last season and are presently top of Kent A rural, having lost only one game this season. Wanderers 2s are in fifth place in the ten-team league and the away fixture was lost 45-5. Captain, Tom Stevens, was not available as he recuperates after a head injury assessment, Joe Carlier stood in for him, his front row partners were Luke Browning at hooker and Mike Morris at tighthead. Both of the Doody brothers are usually scrum halves but today they paired up at half-back with Callum at Ten and Leon at nine. It was good to see former first-team skipper, Adam Gaddes, back in the second row where he partnered with Matt Jacobs.

The frost may have relented but was replaced by a bitterly cold wind as Rye kicked off up the slope in front of a decent crowd including a good sprinkling from East Sussex. Eight minutes in, the visitors sent a penalty to seven metres out and touched down a couple of minutes later, just right of the posts. Minutes later Rye scored their second try in a very similar position and again converted for a 14-0 lead. Wanderers responded well and built pressure down Rye's right before Joe Carlier

touched down to make the score 14-5. A good individual try with a nice conversion extended Rye's lead before Will Mahoney responded for Wanderers touching down their second try on the cusp of half-time. There was no conversion into the strong wind and Wanderers trailed 21-10 at the break.

Wanderers played with the stiffening breeze behind them for the second half and enjoyed an early period of pressure but a lost scrum at a crucial point and balls dropped by frozen hands, plus good defence from Rye, kept the score unchanged until, with around a quarter of the match remaining, the visitors broke clear and ran in from distance outflanking the home defence and touched down under the posts. A very similar try, with ten minutes remaining, took Rye clear 33-10. Two further tries in the closing minutes, against a tiring Thanet side, were not converted and meant that Rye had won 43-10. The coaches' choice as Man of the Match was young scrum-half Leon Doody for his combative performance against strong opposition.

**SQUAD:** Joe Carlier (c), Luke Browning, Mike Morris, Adam Gaddes, Matt Jacobs, Oskar Wallace, Finn Shingles, Jake McGee, Leon Doody, Callum Doody, Harrison Elks, Will Mahoney, Lewis Downer, Josh Jury, Ewan Maclean. Replacements: Tom Welsh, Joe Near, Ollie Quinney, Henry Mirams

# MATCH REPORT

## Thanet Wanderers 3s 10 – 29 Vigo 2s

Wanderers Threes have had a difficult season with calls from the senior sides depleting their selection pool. A couple of matches have had to be declared as walkovers for the opposition and the team is presently in 10th place in the eleven-team league. Vigo 2s were in fifth place at the close of the game. So, Team Manager, Bill Wallace, was delighted to have a full side available for this fixture which, due to the hard frost of recent days, was one of the few games played in Kent on the 20th of January.

A team packed full of experience started well for the Wanderers but the cloying mud made it tough going for some of the veterans. A competitive first half ended with the visitors in a narrow lead 12-10. Wanderers battled hard in the second half but the visitors eased further ahead and eventually won the match 29-10
